4.6 Place of Engagement. Consultant agrees to work in such locations as directed by Purchaser. Consultant agrees that the engagement may require traveling, and agrees to travel as may be necessary to fulfill the engagement responsibilities for Purchaser.

4.7 Expenses. Purchaser shall pay or reimburse Consultant for reasonable or necessary out-of-pocket costs and expenses incurred by Consultant in conjunction with the performance of its duties hereunder (including, without limitation, costs and expenses for travel); provided, that such costs and expenses must be properly documented in accordance with normal procedures of Purchaser. Anything to the contrary notwithstanding, Consultant shall not be reimbursed for any out-

of-pocket costs and expenses above \$500.00 in the aggregate unless Consultant has secured the pre-approval (which need not be in writing) of Purchaser to expend such funds.

4.8 Confidentiality. Consultant acknowledges that Purchaser is an Internet Service and Securities Provider and such technology along with related formulas, inventions, patents, documents, interactive and other systems, procedures, software programs, ideas, marketing or product plans, and other creations, and past, current and prospective customer lists and names of vendors is confidential information, which is the sole and exclusive property of Purchaser. Consultant agrees that it will not, disclose any of such confidential information to any third party (unless compelled to do so by a court of law or governmental agency) or use such confidential information in any way to compete with or to act in any other way adverse to Purchaser, either directly or indirectly. Provisions of this Section shall not, however, apply to information which is or which becomes available to the general public through no fault of Consultant. Consultant shall have the right to terminate the provisions of this Article 4 only for cause, which includes a material breach of this Agreement, or the Note by Purchaser which remains uncured after reasonable time to respond to written notice, said time to be no less than 30 days (other than with respect to any failure of Purchaser to make payment when due under the Promissory Note, for which said time will be 3 days).

4.11 Restrictive Covenant. Neither Seller, Seller's officers nor Cotter or Covington will, during the term of this Agreement or for a period of two (2) years after the Consulting Termination Date, directly or indirectly compete against Purchaser as to the provision of internet filtering and/or accountability hardware or software services, or own, manage, operate, control, or be employed by or consult with a business in competition with Purchaser's business as of the date of this Agreement on a world-wide basis. Notwithstanding the foregoing, this Section 4.11 will automatically terminate and have no further force and effect in the event that Consultant terminates the provisions of Article 4 in accordance with Section 4.10(b).
